

Develop a program to print Right Triangle Star Pattern
Sample Input:: n = 5

```
#include<iostream.h>
void main()
{
    int i,j,rows;
    cout<<"enter number of rows= ";
    cin>>rows;
    for(i=0;i<=rows;i++)
    {
        for(j=0;j<= i;j++)
        {
            cout<<"* ";
        }
        cout<<"\n";
    }
}
```

```
enter number of rows= 5
*
* *
* * *
* * * *
* * * * *
[Program finished]
```
